Subject: Propeller Club Event - 50th anniversary of the Turkish invasion and occupation of Cyprus

Dear Members,

We hope this message finds you well.

On Monday, **September 9th, at 19:00**, we will be hosting a special event in collaboration with the **Propeller Club, Port of Piraeus**, at the **Yacht Club of Greece**.

This event is to commemorate the 50th anniversary of the Turkish invasion and occupation of martyred Cyprus.

Our distinguished speaker for the evening will be **Dr. Constantinos Kombos, Minister of Foreign Affairs of the Republic of Cyprus**.

Our aim is to honor this significant historical memory while strengthening the bonds of friendship, unity, and cooperation among the members of both clubs and our sister nations.

A cocktail reception will follow.

Please note that seating at the Yacht Club is limited, and registration will be on a first-come, first-served basis.

It will be our pleasure to have you join us.

Sincerely,

Polys V. Hajioannou
President

P.S. The event will take place in Piraeus, as requested, for the benefit of knowledge and remembrance of 1974 events of the vibrant Greek Shipping community. This event provides an excellent opportunity for our Members to meet and connect with the Members of the Club of Piraeus, the world's leading maritime hub.
