## (U) Monthly Incidents by Region

(U) This section lists reports of active violence against shipping, credible threats to shipping, or the potential for a situation to develop into a direct threat to shipping over the past 30 days. Every effort is made to ensure that incidents are not double-counted. In the event that double-counting is detected, or an incident is later found to be different than initially reported, an explanation of the cancellation of the inaccurate report will be made in at least one message prior to dropping the erroneous report.

### (U) NORTH AMERICA

1. (U) MEXICO: On 11 September, six robbers boarded an oil platform in the Bay of Campeche (exact time and position not specified). The robbers stole several unspecified items and departed. (Clearwater Dynamics)

### (U) CENTRAL AMERICA – CARIBBEAN – SOUTH AMERICA

1. (U) GUYANA: On 23 September at 0200 local time, four perpetrators in a canoe approached an offshore supply vessel berthed at Georgetown Port, near position 06:47N – 058:10W. The duty crew spotted two of the perpetrators onboard the vessel and raised the alarm. Seeing the alertness of the crew, the perpetrators escaped in the canoe. After the incident, the vessel reported that nothing was stolen, and all crew members were safe. (Clearwater Dynamics)
2. (U) HAITI: On 10 September, armed assailants in a speedboat boarded a container ship as it maneuvered into port at Port-au-Prince (exact time and location not specified). The perpetrators kidnapped two Filipino crew members from the container ship before escaping in their speedboat. (HaitiLibre.com; LaNouvelliste.com; PLEnglish.com; Clearwater Dynamics)

### (U) ATLANTIC OCEAN AREA

(U) No current incidents to report.

### (U) NORTHERN EUROPE – BALTIC

(U) No current incidents to report.

1. **(U) ARABIAN SEA:** On 1 October at 1240 UTC, a UAV approached a Liberia-flagged tanker drifting approximately 224 NM southwest of Karachi, Pakistan, near position 21:56N – 064:26E. The UAV, described as blue-grey in color and approximately 10 meters in length, came within 10 to 20 meters of the vessel’s funnel before leaving the area. After the crew mustered, no further UAV activity was noted. (Clearwater Dynamics)
2. **(U) RED SEA:** On 1 October at 0550 UTC, a missile struck the Liberia-flagged bulk carrier *Minoan Courage* while underway approximately 97 NM northwest of Hodeida, Yemen (exact position not specified). The bulk carrier sustained damage, but all crew members are reported safe. After the attack, the vessel resumed its voyage and proceeded to its next port of call. (UKMTO; Clearwater Dynamics; vesseltracker.com)
3. **(U) RED SEA:** Overnight from 30 September to 1 October between 2125 UTC and 0500 UTC, four missiles and one unmanned surface vessel (USV) targeted the Panama-flagged crude oil tanker *Cordelia Moon* while underway approximately 64 NM northwest of Hodeida, Yemen (exact position not specified). The first missile attack occurred at 2125 UTC, followed by another at 2225 UTC. The third missile attack occurred on 1 October at 0140 UTC, and the fourth and final missile attack came at 0253 UTC. Each missile attack resulted in splashes and explosions near the tanker, with the closest striking the water within 5 meters of the vessel. After the four missile attacks the master reported no damage to the vessel, and that the crew was safe. At 0500 UTC, a USV hit the tanker and punctured the number 6 port

ballast tank. Following the USV attack, the tanker continued to its next port of call. (UKMTO; Clearwater Dynamics; vesseltracker.com; Maritime Executive)

4. (U) GULF OF ADEN: On 20 September at 1225 UTC, a USV with a blue and white hull approached to within 0.4 NM of the Greece-flagged crude oil tanker *Diligent Warrior* while underway approximately 48 NM southeast of Mokha, Yemen, near position 12:33N – 043:28E. The master also reported a small boat with two persons onboard in the vicinity of the USV. After the incident, the vessel and crew were reported safe and the vessel continued to its next port of call. (UKMTO; Clearwater Dynamics; Joint Maritime Information Center)
5. (U) RED SEA: On 6 September at 0500 UTC, a blue and white skiff with three persons onboard approached a Saudi Arabia-flagged tanker underway approximately 60 NM southwest of Hodeida, Yemen (exact position not specified). The company security officer reported that one person onboard the skiff navigated, while the remaining two individuals looked through binoculars. The skiff came to within 400 meters of the tanker but changed direction after the vessel's embarked armed security team displayed their firearms. (UKMTO; Clearwater Dynamics)
6. (U) RED SEA: On 4 September at 1112 UTC, an entity declaring itself to be from the UKMTO requested vessels to switch on their AIS and provide a present position update. (UKMTO; Clearwater Dynamics)

1. **(U) INDONESIA:** On 2 October at 0109 local time, five perpetrators armed with knives boarded the Cook Islands-flagged tanker *Torex* while underway in the eastbound lane of the Singapore Strait TSS, near position 01:04N – 103:43E. The crew sighted the robbers boarding at the stern of the tanker and in the engine room. The master raised the alarm and the crew mustered to search the ship. Following the incident, the master reported that the vessel and crew were safe and that engine spare parts had been stolen. The vessel did not require assistance and continued its transit to its next port of call. (ReCAAP)
2. **(U) INDONESIA:** On 30 September at 0102 local time, five perpetrators boarded the Marshall Islands-flagged bulk carrier *New Destiny* while underway in the eastbound lane of the Singapore Strait TSS, near position 01:05N – 103:43E. The crew spotted the perpetrators, one of whom was carrying a suspected firearm, in the engine room. The crew mustered and conducted a search, but no perpetrators were found. After the search, the master reported all crew were safe, and that nothing was stolen. The vessel did not require assistance and continued its transit to its next port of call. (ReCAAP; Clearwater Dynamics)
3. **(U) SOUTH CHINA SEA:** On 29 September at 1000 local time, an unidentified ship with pennant number 301 approached a Vietnam-flagged fishing vessel operating in the Vietnam-claimed area of the Paracel Islands, near position 16:11N – 111:12E. The ship closed from astern toward the fishing vessel and lowered two small boats. A second ship, numbered

101, also approached the fishing vessel and lowered another boat. Approximately 40 assailants armed with iron bars boarded and attacked the crew. After several hours, the attackers departed the fishing vessel, taking its cargo of fish, equipment, and fishing gear. The boarding party's interpreter told the injured crew members to go back to Vietnam. Four of the injured fishermen were hospitalized after their return to Quang Ngai province. (Maritime Executive)

4. (U) INDONESIA: On 22 September at 1830 local time, five armed individuals boarded the barge OB ROYAL 17 under tow by the Indonesia-flagged tug *Royal TB 17* in the Java Sea south of Kalimantan, near position 04:12S – 113:49E. The pirates, armed with firearms and sharp weapons, secured crew members in a separate area and took control of the barge. The pirates next boarded the tugboat and restrained the captain and crew in the mess room, binding them with plastic ropes. During the hijacking, which lasted between 8 and 10 hours, a portion of the biodiesel cargo was transferred to a tanker. Before the pirates disembarked, they also stole the vessel's navigational equipment, cash, crew's valuables, and damaged the communications and other navigational equipment. (Indonesia Maritime Safety Information Office)
5. (U) INDONESIA: On 14 September at 0125 local time, seven robbers boarded the Marshall Islands-flagged bulk carrier *Atlantic Tiger* while underway in the eastbound lane of the Singapore Strait TSS, near position 01:03N – 103:38E. After crewmembers spotted the perpetrators near the port quarter of their vessel, all crew members mustered to conduct a search. Following the incident, the master reported all crew as safe, engine parts had been stolen, and that no assistance was required. The vessel continued its voyage to its next port of call. (Clearwater Dynamics; ReCAAP)
6. (U) MALAYSIA: On 14 September at 0038 local time, eight robbers from a sampan boarded the barge *Alam 281* under tow by the Malaysia-flagged tug TARGET 10 in the westbound lane of the Singapore Strait TSS, near position 01:19N – 104:17E. After the incident, the master reported robbers stole scrap metal and all crew members were safe, no assistance was required, and that the tug proceeded to its next port of call. (Clearwater Dynamics; ReCAAP)
7. (U) INDONESIA: On 14 September at 0020 local time, five perpetrators boarded the Panama-flagged bulk carrier *Sea Voyager* while underway in the eastbound lane of the Singapore Strait TSS, near position 01:04N – 103:37E. The duty crew spotted the perpetrators in the engine room. One perpetrator carried a suspected firearm and another was armed with a knife. The master raised the alarm and the crew mustered and conducted a search. No perpetrators were found onboard the ship. Following the incident, the master reported that
